Wonderland Adventures Worldwide Competition Regulations 2025

About WAW Competition

- **Wonderland Adventures Worldwide (WAW)** is a **global educational competition** that utilizes gamification to offer a captivating blend of education and entertainment, and turn learning English into an exhilarating adventure.
- In Wonderland, students are not merely passive learners; they are active participants in their language journey. They **earn points through quizzes, assignments, forum challenges** and **team projects**, with results contributing to their ranking on **international leaderboards**.
- The journey culminates in **an invigilated test** that awards points based on performance. The **top 20 students** on each leaderboard and **all first-round medalists** are invited to take a **final test covering reading, writing, listening, and speaking**.
- Top students in the WAW Competition can win a spot at the **Wonderland STEM & Leadership Camp in Niagara Falls, Canada**, an **all-inclusive trip to the Global Awards Ceremony in Egypt**, or a **cash prize**.
